

# Technical Data Sheet

## Pure Bamboo Water

### Product ID

### OB-PS5

Product Name  
Plant Part used

Pure Bamboo Water (advanced)  
Leaves, stems, branches

### Solvent used

None

Technology

Vacuum Extraction

INCI

Phyllostachys Edulis Extract

CAS No. / EC No.

-

Appearance

clear liquid

Additives

None

Odor

smell reduced

Soluble / Miscible

water

Flavonoids

>10 mg/100g

pH (20 ° C) internal method

3.5-5.5

Filtration

### AC filter

0.20µm PES filter

Aerobic mesophilic flora

<150 CFU/ml

Yeast and mold standard

<100 CFU/ml

Packing

20 kg aseptic aluminium bag

Storage

dry, cool, tightly sealed,  
protect from heat

Shelf life

6 months when properly  
stored and handled
